

THE EASIEST FASTENING EXPERIENCE

Designed by installers - Built to outlast plastic zip ties - Superior strength and durability -
Easier to use than other cable tie products with a non-conductive polymer housing.

Anaconda: The dependable, tool-free solution.

25 YEAR WARRANTY

- Non-conductive polymer housing
- Gentle on wires - round cable and anti-friction sleeve prevents abrasion
- No more brittle plastic ties with costly failures and service calls

TOOL-FREE INSTALLATION

- Patent Pending self-locking mechanism
- No more crimping, reducing chance of failure
- 40 lb weight capacity

FASTER WIRE MANAGEMENT

- Finish wire management jobs faster than traditional crimped cable ties
- Intuitive design means efficient and error-free installation, even for new installers
- A dependable choice for both indoor and outdoor applications
